Description

A delightful home at an excellent price in the popular Crown Point subdivision! The light and airy upper level features a great room with a fireplace, dining area, fully equipped kitchen, half bath and master bedroom with its own private full bath. Off the great room is a deck that spans the length of the house, from which there is a slight ocean view. The middle level has four bedrooms, one of which is the second master bedroom with private bath, and a hall bath. A hot tub is on the covered deck on this level, for your enjoyment in all weather! The ground level game room is where you'll find the kids when they're not at the beach. It has a pool table and a wet bar, along with a sitting area with TV, and the laundry area. The home is sold fully furnished and is well equipped and ready for your summer guests, with plenty of games, books, and high speed internet access.
And it's an easy walk to the beach or an equally easy walk to the community pool and tennis courts, when you're looking for diversions other than the sand and sun.
Come see Tarheel Treasure Too! You'll love it.
